Dear SAA Member,

I am a MSLS student at UNC Chapel Hill, and I am conducting a research study to explore whether the collection practices of community archives have influenced those of larger, more traditional archives. If you are not currently working in a community archive and have had any experience in collection development, please participate in the following survey. This will take no more than 5-10 minutes. If you are interested, you can click the link below and take the survey. There are no known risks involved in this research and you will be adding to the body of knowledge regarding archives practices.

If you have any questions about this research, please contact me by emailing ellajs@ad.unc.edu.

If you have questions or concerns about your rights as a research subject, you may contact the UNC Institutional Review Board at 919-966-3113 or by email to IRB_subjects@unc.edu.

Take the survey:
